“Reno, have you been working out?”
You look really buffed. I bet you spend half the day in the weight room and the other half in the bedroom!

“Hey Courtney, yeah just for you.”
Babe, my cock is going to get the workout today. Are you ready for it.

“I’m ready Reno. Bring it on!”

what's my name?

Our honeymoon in Hawaii started out with a bang. My husband, Erik, and I were on the beach at Kaanapali watching the sunset when I told him I was going back to the room and he should come up very soon. With a big smile, I gathered my beach towel and gave him a deep tongue-kiss before heading up. When I got to the room, I lit several beautiful candles and placed them on the dresser near the bed. I placed petals from the roses I bought at the hotel flower shop all over the bed. and put our favorite music on the stereo. I take a quick shower and make sure that I'm clean and smelling good for him.

I hear the door open and close as I finish in the bathroom. I call out to him, "Honey, come take a shower." He comes to the bathroom and I pull him in and start to undress him. That didn't take long as all he was wearing was his board shorts. I turn the shower on and get it to just the right temperature for him. He gets in and I leave to finish prepping the bedroom. I put the bottle of wine and a couple glasses on the nightstand and close the shades and turn down the lights. I climb into bed and wait for him. He comes out of the bathroom and over to me at the bed.

Codi Milo and Brea Bennett grace the cover of the last Cheaters. It didn't take much convincing to have them pose for our cover. They confessed to being natural born cheaters!

He extends his hand and pulls me off the bed. His body is warm and moist from the shower. I press against him and we kiss. He grabs my butt cheeks and we start to become even more passionate. I make soft moans as I pull him backwards towards the bed. I was wet already. He layed me onto the bed but I sat up and before he could continue, I fondled my breasts with one hand and grabbed his cock with the other. It was already stiff and pointing right at my mouth. I take it and put it in my mouth halfway and started to suck. I began to deepthroat. I drooled all over his cock and started making slurping noises, rubbing my hand up and down his cock.

I pulled back and pushed him on the bed and straddled him. Then I lowered my wet pussy down onto his hard cock. Just as I was about to say something he grabbed my ass cheeks and began thrusting in and out of my pussy! Erik was fucking me so hard, I could hear his balls slap against my ass! Then he flipped me over and pushed my knees past my ears and began to drill my pussy like it was the last time. In this position, his cock was banging really deep in my pussy.

Then he pulled out of me, and I was mad because I almost came! Then he shoved his cock as far as he could in my pussy and I made a loud gasp like I was about to drown! Finally he changed the pace going in and out of me slowly while rubbing my clit. It felt so good to make love with the love of my life. He began to drive in and out of me even faster now. My eyes rolled to the back of my head and I felt a rush of ecstasy run through my whole body. I had such an amazing orgasm as I felt his sperm shoot up into me and hit my cervix, it made me cum again. He kept fucking me slowly through my second orgasm.

He collapses on top of me and we flipped over and began to makeout. We kiss and look fondly into each other's eyes. "I love you so much, Paul!" I whispered, and instantly realized what I just said. Oh shit.

"Who the fuck is Paul?!" he yelled.

switching teams?

It's Saturday morning and I'm having a hard time opening my eyes. It was a fun Friday night, but I don't remember much of it, just partying with the girls at the club. I was still feeling a little warm and fuzzy and my body awakens. Instinctively, I move my hand across the bed, feeling disappointed at the empty space beside me. Since meeting Giorgio two weeks ago, I had tried to see him whenever possible. As a consequence of my new relationship with him, I've seen considerably less of Sheila, who apparently did not approve of 'her lover' being involved with a man.

Oh well, so I place my hand upon my smooth, hairless mound, feeling a pleasant sensation flood through my body. 'I'm seeing Giorgio tonight,' I thought as I slid my finger into my wet pussy slit. Having not seen my new lover for five consecutive evenings, I finally felt the compulsion to orgasm, opening my legs and placing a finger upon my clitoral hood, sliding it down between my pink labia and onto my opening, feeling the moistness within. I insert a finger and close my eyes. Gently fucking myself, I move my other hand down and gently tug on my inner lips. Moving my finger from my increasingly wet orifice, I transferred some juice to my clit, softly stimulating it. Feeling good, I continued with my clitoral stimulation and reinserted a finger into my hole, quickly adding a second, gliding them slowly in and out as my juices began to flow more freely, covering my fingers.

Now I must open my legs wider, swaying my hips, pushing against my fingers, visualising Giorgio's huge penis, imagining it gliding majestically in and out of my waiting pussy. Minutes later, feeling that I was approaching a climax, I removed my finger from my now fully erect clit, and rubbed my slick fingers along my engorged pussy lips, then back to my button, varying the stimulation.

As my fingers pumped into my perfectly shaped pussy, I could feel the stupendous sensations beginning to dominate both my body and mind. I begin to gasp and moan as I writhe around on the bed; my entire nether regions tingling and becoming more pleasurable with each stroke. Finally, orgasm hits me, pulsating dramatically through all the nerves in my body. I hear myself groan loudly as my pulsating pussy juices cover my fingers in yet more viscous fluid. I lay there shaking and breathing heavily. Gradually, I removed my fingers, running them up my soft, silky flesh, bringing them to rest on my breasts, where I'm caressing my pink nipples. "Look out Giorgio, tonight is going to be even better, so you better be ready."

used for sex!

Have you ever had a one night stand? Well, I've only had one – so far. This is the story of my first one night stand. I'm twenty six and have only had three girlfrinds since the ninth grade. My last long term relationship ended about six months ago and I've been horny ever since.

I'd been working in Chicago with a team of about a dozen people in the marketing department of a major clothing retailer. Three of them were women, the rest were young guys all hell-bent on establishing their dominance. Most were recent hires, like myself, and so the department head decided that we needed to get away for a brain-storming session to Sedona, Arizona. We'd be put up at a resort and open our minds with nature – and each other. He thought it would have a bonding effect on the group in the hopes of working better together. I was just looking to get laid.

We arrive in Sedona and the chartered bus takes us to the resort. The accommodations are bungalows set in the desert landscape. All very pretty and somewhat spiritual feeling. We settled in the first night and met at 10 am for a communal breakfast the next morning. One of the girls, Mandy, who was originally from Denver and whose fiancée still lived there, and I got on very well. After our day-long meetings, she and I would spend a few hours in the Jacuzzi talking marketing and other things deep into the evening, sometimes without the others.

Our third and final night there, after the days activities, Mandy and I hit our regular spot at the the hot tub. She confessed, after several drinks, that she wasn't sure whether she was ready to settle down with her fiancée just yet. She talked at length, sipping Jack and rum, throughout, about them and started getting all sappy. I suggested that it was late and we should get back to our bungalows since we had to get up early in the morning to catch the bus to the airport. She said she was feeling sad and didn't want to be alone that night. I offered to escort her back to her bungalow. She asked me to come in. She said she did not want to go to sleep just yet. I agreed.

There were a couple small chairs and a large bed in the bungalow. Her clothes and suitcases were strewn on the chairs so we both had to sit on the bed. She looked at me and told me that I was a good guy. She put her arm around my shoulders and pulled me in for a quick hug. Releasing her hug, she let her hand rest on my thigh. I sat there quietly not wanting to take advantage of the situation, but that was not what she was thinking.

She stood up and removed her top to reveal a pert pair of breasts with magnificent nipples. She took a small step forward and turned to face me. Her hips were at my eye level. She took my hands from my lap and put them on the her hips. Looking me in the eye she whispered that I should take her pants off. I quickly undid her belt and pulled her jeans down and then her panties to leave her standing there completely naked. Not missing the clues, I stood up and we kissed passionately. I then pushed her onto the bed and looked up on her naked body lying there.

I immediately disrobed and exposed an enormous erection. I quickly laid next to her and kissed her again, but now I could finger her pussy. I then started to kiss her breasts and nipples, which hardened, while I fingered her. Her pussy was getting really wet so I asked if it would be okay if I went down on her and sucked her clit. She said, "Don't ask, just do it." I went down on her pussy and licked it for a good twenty minutes or so bringing her to the edge of orgasm many times, and then she came, very loudly and very wetly. I moved up the bed to lie next to her as she recovered. We lay silently for a few minutes and then she said that it was my turn. She moved and started to lick my knob and taste my pre cum. I was expecting just to be given a blow job, but she then completely surprised me by moving over my body and lowering her pussy onto my cock. I looked at her, and she told me not to worry as she was on the pill, and the spermicide on condoms gave her rashes and she didn't want to go home to her fiancée at the weekend with a rash.

She rode me very quickly with my cock going in and out of her and going very deep when she slowed or stopped to sit on it. At the pace she was going it wasn't going to take long before I shot so I asked her to slow down, but with a wry grin she speeded up and I emptied my balls deep into her pussy. She carried on riding a short while after I had cum, rubbing her clit against my pelvic bone and she came again. We laid there with her on top of me and my cock inside her and then she rolled off me. We cuddled for several minutes or so, and then with a start she sat up and said she I had to go. I dressed quickly and left.

The next time we met was at work. It was to discuss what happened. She told me that her fiancée had been a dick on the phone to her the day before the trip and she had been unsure of her feelings for him. The fuck with me had cleared her head and she knew she wanted to stay with him, so that was all that could happen between us. I said that I understood and hoped our business relationship could continue unscathed. She smiled, kissed me on the cheek and I watched her walk back to her cubicle.

"Richard, bring that big cock over here."

I'm not sitting here naked for no reason. I'm here to fuck you silly. That cock of yours better be up to the task or I'll have to go back to my husband.

"Riley, don't be shy, show me those gorgeous boobies."

I love natural boobs on a girl, but it's your hot pussy I want.

"How do you know my pussy's hot if you haven't fucked it yet?"

not too shy

THAT WAS A GREAT FUCK
888-393-6725
MUST BE 18+

if it's love I wanted, I'd stay home

I do love my wife. But there are times and temptations that cannot be controlled.

I'm in Tampa for a automotive convention, staying at the Intercontinental downtown. As head of manufacturing for after-market parts, I have a nicely appointed mini-suite. Nice big bedroom, huge bathroom with jets in the tub and two-head shower, and a small kitchenette off the living area. But my favorite area is the wet bar. Stocked with all sorts of liquors, I see you pouring us drinks to wind down after a long day. You are one of the models that shows off our products, not my wife back home in Toledo.

I step up behind your 5' 8" frame and start to work out some of the kinks in your back. You let out a small sigh and comment on how good it feels. We start some small talk about the day's events who's going to close the deal with one of our major clients. After a few minutes your head tilts to one side, your long, hair brushes clear of your shoulder. I lean down and start to kiss and nibble at the base of your neck. You moan a little and smile, you lean back into me, enjoying my attentions. I stop the back massage and wrap you in my arms, left hand across your abdomen, right, across the top of your breasts. You moan lightly as you grind your ass into my crotch.

You raise and lower your ass against me. I cup and slightly lift your ample boobs. You're not wearing a bra and my thumbs flick across your pert nipples. I pinch your nipples, rewarding me with a gasp of pleasure from you. My left hand slowly slides down your flat stomach, stopping at your crotch. I can feel how wet you are through your jeans. I rub your pussy through the jeans while my right hand slips under your t-shirt continues to play with your nipples. We continue like this for some minutes, the only noise heard is the deep breathing and gasps of air as I play at your neck, tits and pussy. You continue to grind into me as I occasionally apply lift to your crotch, forcing you to your toes. I start to work at your button fly. I undo your jeans and pull them down with your panties as I kneel behind you.

You step out of your clothes and I throw them over to the sofa. I bite an ass cheek and then kiss and lick the spot I just bit. I spread your ass cheeks and lick your beautiful brown pucker. A low slow moan from you proves my attentions hit the spot. All pretense of resisting my affection fades and you spread your legs wider and bend forward at the waste, giving me perfect view of your lovely ass bud. It quivers, quakes, and throbs as I suck, lick and probe it with my tongue. My left hand reaches around your thigh. My fingertips get drenched as they slide up and down your pussy lips, probing and pressing. My index finger finds your clit and I begin to tease you by just barely touching it. You move your hips forward to meet my finger but realize that I stop sucking your ass when you do.

Soon you start to maneuver, trying to find a way to get both pussy and ass pleasured. I keep my fingers hovering, just barely touching you. I can see the juices dripping from your crotch, the smell is marvelous. You turn around and lean back on the counter and hike a leg over my shoulder. I start by kissing the outside of the pleasure zone, slowly licking and kissing down one side and up the other.

> *Sex is a physical bond between two people. When love enters the equation, the physical bond becomes much more.*

Then my tongue flits across your pussy lips, giving me the first sweet taste of your juice. Slow moans escape your full lips as you dig your nails into the back of my head, trying to force me where you want me to be, but I'll have none of that. My tongue is flat as I slowly lick your slit from its lowest point almost to the top, I stop just before your clit. Long slow laps, over and over, poking and prodding, separating your lips, now and again licking a little deeper, to get to the velvet of your pussy. But I largely leave your clit alone. I flick it with my tongue now and again just to show you I know where it is. Each time I do I'm rewarded with a sharp intake of breath. While I'm licking you, my right hand is busy with your asshole. I get my fingers slick with your pussy juice and slowly run little circles around your tight rosebud of an anus. I apply just enough pressure to suggest penetration but not quite enough to let it happen. Not yet.

By now, your hips are bucking, eyes closed, one hand entangled in my hair. I sense you can't take any more of this so I slowly push a finger in your ass at the same time I inch my index and ring ringer into your hot pussy. The fingers in your pussy easily find your G-spot and begin to massage it while I finely give your clit the attention you've been craving, sucking and licking and flicking it. The finger in your ass slowly pulses in and out of you. It not long before all this sends you over the edge. Your knees begin to buckle as the mind numbing, body wracking, orgasm surges through you like a lightning bolt. You cry as your orgasm produces gallons of sweet nectar. I drink it all. You almost crumble to the floor, near-

Human's are born to cheat. Either sex is capable.There is little in our make up that prevents us from doing it. And so we do.

ly spent. I catch you, and slowly stand up.

I kiss you full on the mouth, my face sticky with your pussy fluid. I lift you and carry you over to the huge coffee table in the seating area, your body still twitching from your orgasm. Flat on your back, you spread your legs, lifting them to my shoulders.

Your lips are wet and dripping, I can see the muscles between your pussy and ass twitch with anticipation. I take my cock in my hand and rub its length up and down your pussy. I slowly, slowly, slide my cock into your waiting pussy. You grab my hips and try to get all of me faster. I penetrate you up to the base of my cock. I can feel your pussy dripping on my balls. The table is a bit low so I grab your hips lifting them from the table. I go long and slow the first few strokes. Making sure I'm fully coated with your juices. Then without warning I start to slam my cock in to you. I grunt and growl like an animal as I use my arms and hips to fuck you with as much force as I can. You squeeze your tits and pinch your nipples. You moan in time with my thrusts and grunts.

You reach for me, trying to sit up in the process. I grab your arms and pull you to me. You wrap your legs around me as I lift you from the table. I pump you up and down onto my cock as I stand in the middle of room. I can feel your nails digging into my back as another orgasm surges through you. I let you rest a bit, clinging to me, panting and out of breath. I let you down and you drop down onto your knees before me and suck my cock into your mouth, massaging my balls. I'm too close and your mouth feels perfect! I grab thick handfuls of hair as you let me fuck your throat.

Just as I release, you force two fingers you've been lubing with your pussy into my ass. The sensation is unimaginable! I cum so hard it almost hurts as load after load of jizz gushes down your throat. You milk my cock of every last drop. Pumping it with your hands as you suck out everything you can. You smile and you stand up before me, wiping cum off your chin with your fingers. You suck your fingers clean and give me a deep tongue filled kiss. We stand there, holding one another for a bit, softly kissing each other in the middle of the suite.

I lift you in my arms and carry you into the bedroom. We get into bed and fall asleep quickly. My cell phone rings an hour later. It's my wife. She asks about my day and I tell her quietly and then tell her I'll call her tomorrow. She says she can't wait to see me.
